

The first paragraph of Section 7.00, Title 14, CCR, is amended to read:

7.00. District General Regulations.

Unless otherwise provided, waters shown as open to trout and salmon fishing in subsections (a) through (g) below, are open to fishing for other species. Every body of water listed in subsections (a) through (g) of Section 7.00 (below) is closed to all fishing except during the open season as shown. Unless otherwise provided, waters closed to trout and salmon fishing are closed to fishing for all other species, except that these closures do not apply to fishing using fishing methods other than hook-and-line fishing which are allowed for bullfrogs (see Section 5.05) freshwater clams (see Section 5.20) crayfish (see Section 5.35), and lamprey (see Section 5.40). Daily bag and possession limits, unless otherwise provided, mean the total number of trout and salmon in combination. Unless otherwise provided, no more than one daily bag limit may be possessed. Silver (coho) salmon may not be taken in any of the waters of the State, except in Lake Oroville. Incidentally hooked Silver (coho) salmon, except those in Lake Oroville, must be immediately released unharmed to the waters where they are hooked. In waters where the bag limit for trout or salmon is zero, fish for which the bag limit is zero must be released unharmed, and should not be removed from the water.
